## **Friday Night at the Movies**

Our many thanks to Conna and Zoe of **TF Productions** for arranging and organising this event. It was a night to remember with fabulous entertainment.

Thank you to everyone who supported this event to make it a successful evening. It was great to see all the fabulous new lighting on the stage working at its best.

## **Class Update**

Cappello's performing arts academy will be restarting classes at the hall in the new year. For more class information please see their website <https://cappellos.co.uk/>

## **The Recovery from Covid**

For the Hall, it is quite apparent the recovery from the effects of Covid are going to take some time. It will be a slow process.

Several classes have not resumed activities at the hall and others are running with very low numbers. The hall has survived two world wars, we need to survive Covid. Your continued support

is much appreciated.

We currently have several time slots available if anyone is interested in trying to start a new user group. Give me a call.
